This fantastic donation to the AST is most definitely a holiday of a lifetime!!

2 RODS FISHING ALPHONSE ON THE WEEK 11TH-18TH MAY 2019.

Alphonse Island is famous as one of the best saltwater fly fishing destinations on the planet with ten thousand acres of white sand flats providing easy wading and world class fishing.

The pristine atolls are home to huge populations of bonefish, three different types of triggerfish, barracuda, snapper, grouper, permit, parrotfish and eight species of trevally, including the giant trevally.

The most challenging fish to catch, though, is the fabled milkfish, a turbo-charged algae-eater growing to 40lbs.

The unspoilt waters of Alphonse and St François Atolls are also home to the most incredible variety of blue water fish species and a great destination for offshore fishing. The structure and sheer drop-offs are ideal for attracting a variety of pelagic species that can be caught on fly as well as

conventional trolling methods. Fish such as Sailfish, Wahoo, Dogtooth Tuna, Yellowfin Tuna and Dorado can be taken on any given day.

Alphonse Island is a fabulous resort made up of superb Beach Bungalows and Suites. Built alongside the water's edge, each accommodation enjoys spectacular ocean views.

A central dining and bar area lets you relax alongside the sparkling pool and shoreline, with cuisine offering the very best of traditional Creole creations. Fresh produce farmed on the island and freshly caught fish are always on the menu, but diversity is key, including Asian inspired dishes and sensational sashimi, complemented by a wine list of distinctive variety.

Other activities include world class diving and snorkelling, sailing Lazars, kayaking, wind-surfing, tennis, a grand pool.
